PALLADIAN® BATH SERIES

Authentically crafted in Italy 

Shown with:
Victoria + Albert® Ventralla Tub

Available Finishes

Andrea Palladio, a 16th century Italian architect, creator of the Palladian window, and proponent of honest classical architecture, was the inspiration behind the ROHL® Palladian® Series. Blending the best of classic proportion with the flourish of great Italian fashion, this look is the answer to the renewed love of European colonial and Old World design updated with a transitional look.

Individual finish options vary by product. Consult your local showroom for availability.
