

Shown with: Victoria + Albert® Kaali Sink, Marlborough Bathtub

The district of Holborn has some of the oldest and newest styles of architecture in London. Integrating modern structures with Tudor and Baroque styles for a natural flow requires an eye for reinvention. The Holborn™ Bath Collection does just that, creating a new, smooth, contemporary form. A pure, minimalist shape with a timeless quality, its clean curves and lines have a dynamic sense of motion. Lacking ornamentation, it stands out with sleek simplicity, which makes the distinctly modern Holborn feel at home everywhere.
